Get the most out of every cup

For maximum benefit, Papaya Leaf Herbal Tea must be properly prepared. These steps directly influence the amount of beneficial extracts that end up in your tea cup!

DIRECTIONS: Bring 8oz water to flash boil. Pour over tea bag and steep for 5 to 8 minutes. Gently squeeze teabag to release any remaining extracts. For stronger tea, use additional teabags. Serve sweetened with sugar, honey or favorite sweetener if desired. Drink 2 to 3 cups daily.

If pregnant, please consult your prenatal care-giver or other health care professional before drinking this tea. HERBAL PAPAYA
