

PURITY PROTEIN™ ENHANCED – THE ULTIMATE PROTEIN SUPPLEMENT

Purity Protein™ was created for one reason: Dr. Sheridan saw the need for truly pure, non-toxic, complete and balanced supplemental protein. *Hype is Nothing. Substance is EVERYTHING!* Many protein powders are acid forming, difficult to digest/assimilate, create bloating, gas, and allergic reactions, are hard on the kidneys, contain pesticides, GMOs, and hexane solvent residues. *Isolated* proteins (animal or vegetable) are lacking critical accessory nutrients. Even most “organic” ones still have INorganic ingredients (with pesticides), and/or contribute chemical xenoestrogens from the packaging (soft plastic/foil pouches). In contrast, Purity Protein™ is a 100% TruGanic™, plant-based, non-toxic, raw, easy-to-digest, highly bioavailable, hypoallergenic, and complete protein formula packaged in EcoFresh Nutrient Lock Packaging™.

100% TruGanic™: TruGanic™ is HealthForce’s own purist, hard-core, quality standard for sourcing and production. Ingredients must pass actual tests (that no other standard requires) to verify non-GMO status and ensure they are 100% free of pesticides and irradiation.

EcoFresh Nutrient Lock™.Our dark glass with rubberized metal lid and oxygen absorber protects 100% of nutrients (creates a vacuum). Glass is recycled/recyclable, does not outgas, and is non-toxic to melt down. Plastic bottles and metal/foil pouches (worst and not recyclable) dramatically degrade nutrient levels. Plastic outgasses and is highly toxic to melt down.

“The quality, therapeutic concentration, and affordability of a nutritional product can, and often does, mean the difference between lethargy and energy, sickness and health, and, quite literally, life and death. I don’t want anyone to be tired, sick, or dead because they could not obtain or afford the best possible product. Loyalties can be divided. I want to make it clear where mine lies. My loyalty is to those who want to thrive, and those whose life situation requires them to thrive. My loyalty is to the end user. My loyalty is to you. In my life now, and one day when I look back upon my life, that will have value to me incomparable to any amount of money, investors, or fame.”
Dr. Jameth Sheridan – Doctor of Holistic Medicine (D.H.M.), Naturopath, and Hard-Core Herbal Medicine Researcher

Organic and TruGanic™ Sprouted Brown Rice Protein (80% protein, 20% nutrients) and **Organic and TruGanic™ Hemp Protein** (50% protein, 50% nutrients) provide incredibly easy-to-digest proteins with branched-chain amino acids that still contain the critical accessory nutrients (whole food vitamins, minerals, and protective phytonutrients). These are NOT isolated nutrients. **Increased Bioavailability** with added enzymes. **Blood Sugar and Endurance Support*** with nopal cactus (*Opuntia streptacantha*) and arctic root. **Liver, Kidney, and Antioxidant Function Support*** with our unique and exclusive milk thistle Natural Spectrum Intensestrate™ (NSI™). **Actual Real Taste (NOT “Flavoring”)** with the legume vanilla (actual vanilla bean), and a balanced hint of green stevia whole herb (NOT the white, stevisode extract that tastes of saccharin and has no nutritional benefits). Only the best possible. Only purity.
