

THE STORY OF WARRIOR FORCE™

I have been into athletics all of my life. Not just "sports," but hard-hitting, muscle-pumping, heart-pounding, mentally-grueling, endurance-testing sports...Warrior Sports. I am also hard-core into *health*! Unfortunately, sports "nutrition" products usually have nothing to do with actual health. They are notoriously UNhealthy, many of them downright toxic – ultimately contributing to a Warrior's demise. I am a Naturopath and Herbal Medicine Researcher and have embraced a hard-core healing lifestyle for nearly three decades, during which I have seen people who had healthy *looking* physiques degenerate and die much too soon (or die suddenly) due to their toxic diet, lifestyle, and supplements.
NOT ANY MORE!

WHAT IS A TRUE WARRIOR™?

It's easy to be an aggressive, selfish, mean assh%&e. Just combine a bad attitude with some "roids" or take legal substances that imbalance your body and hormones. Then you are just a Barbarian. A True Warrior™ is kind (to others – even kind to non-warriors, kind to animals, and kind to the Earth), unselfish, caring, and lives consciously by a code of ethics/honor such as Bushido (Samurai) or Chivalry (Knights), yet at the same time is completely willing to stand up for those who need it and unleash a fury of appropriate force should battle be required. A True Warrior™ is conscious of all the choices made in life and is open-minded. The world needs more True Warriors™. Are you a True Warrior™? If not, I invite you to become one!

FOR HARD-CORE, PURIST WARRIORS ONLY

Elite Green Protein™ is unlike ANY protein supplement you have EVER had. It is 100% complete protein from 100% whole foods and superfoods, with benefits far beyond any other protein in existence. For example, the phycocyanin in spirulina helps to support liver and kidney function.* Chlorella supports detoxification, oxygen utilization efficiency and cellular repair functions.* Both spirulina and chlorella support immune function and contain a full-spectrum array of non-toxic vitamins, minerals, chlorophyll, antioxidants, and phytonutrients, for ultimate support of your entire body. Minerals in INorganic form (isolated supplements) can be toxic. The minerals in Elite Green Protein™ come from whole plant foods and have ZERO toxicity! The land plants in Elite Green Protein™ help to alkalize the body. The probiotics aid digestion, brain, and immune function.* The longer you use Elite Green Protein™, the deeper the benefits will become.

**"Hype is Nothing.
Substance is EVERYTHING!"**

100% TruGanic™: Actual testing (which no other standard requires) to verify non-GMO status and 100% free from pesticides and irradiation.

EcoFresh Nutrient Lock™ Our dark glass with unique metallid and oxygen absorber protects 100% of nutrients (creates a vacuum). Glass is recycled/recyclable, does not outgas, and is non-toxic to melt down. Plastic bottles and metal/foil pouches (worst and not recyclable) dramatically degrade nutrient levels. Plastic outgasses and is highly toxic to melt down.
