Planetary Organics **ORGANIC SPIRULINA** is a premier superfood of blue-green algae used for centuries by indigenous cultures of both Central America and parts of Africa. It is a complete vegetarian protein with naturally occurring nutrients that in combination support a healthy immune system and provide antioxidant defense. Planetary Organics **ORGANIC SPIRULINA** is cultivated under strict USDA Organic regulations, ensuring purity. The tablets are also made without the use of any binders making this a 100% pure organic Spirulina product.*
