Distributed by Albertsons, Inc.
Boise, Idaho 83726

Suggested use: Take one tablet daily with a full glass of water, preferably after a meal.

A powerful antioxidant that helps boost the immune system. It helps retain already healthy cholesterol levels, and produces collagen critical for healthy cardiovascular function.

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.
