

NON-GMO · MASS SPEC

Documentation ✓ Lab Tested ✓

Suggested usage: 1 capsule 2–3 times per day or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

N-Acetyl-L-Cysteine (NAC) is a highly stable form of cysteine and is a precursor in the body to the critical antioxidant glutathione.* It provides antioxidant support and is especially beneficial for active people, the elderly, and those exposed to polluted environments.* Helps reduce oxidative stress during exercise, and supports immune function.* Natural Factors amino acids are the highest quality pharmaceutical grade products available.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
