Yin Chiao has been a staple of traditional Chinese herbalists and acupuncturists, and a household name in China, for hundreds of years. It was developed during the Qing Dynasty (1644-1911) and is one of the most valued of all classic Chinese herbal formulas. It is used for imbalances associated with seasonal changes. Planetary Herbs **YIN CHIAO CLASSIC™** is manufactured domestically to insure the purity of this time-honored classic.*
