Planetary Herbals **BUPLEURUM CALMATIVE COMPOUND™** is based on a classic Chinese herbal preparation (*Xiao Yao Wan*) which has been known under various names, such as "Relaxed Wanderer" and "Free and Relaxed Pills". It was developed in the Song Dynasty (960-1279) almost 875 years ago. Especially useful for premenstrual and menopausal ups and downs, it has remained one of Chinese herbalism's most valued formulas for supporting a calm state of emotional well-being.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
