

**USAGE:** Take 3 tablets per day or as directed by your qualified health care consultant. Easy-Solv® tablets are designed to disintegrate within several minutes of ingestion.

**NOTE:** DO NOT use if allergic to shellfish. If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your health care practitioner before using this product.

**Jarrow FORMULAS® Ultra Joint Builder®** addresses total joint health by providing nutrients for proper cartilage formation, proper joint lubrication and a healthy inflammatory response within the joint.\*

**Hyaluronic Acid** provides the matrix for joint lubrication (synovial fluid), skin hydration, and skin repair.\* Hyal-Joint® hyaluronic acid has clinically documented bioavailability, having been shown to increase synovial fluid and improve joint mobility.\*

**Glucosamine Sulfate** is a stable, clinically studied form of glucosamine, which is essential for the proper formation of tendons, ligaments, synovial fluid, bones, skin, nails, and blood vessels.\*

**Methylsulfonylmethane (MSM)** is a sulfur donor; sulfur is essential for the formation of chondroitin sulfates.\*

**Yucca Extract** contains the dried, pure juice of the yucca plant, which contains more saponins than the dried stalk. Yucca also contains polyphenols that function as antioxidants to scavenge free radicals and reactive oxygen species (ROS).\* Traditionally, Native Americans used the juice of the yucca plant to improve joint health.\*

**AprèsFLEX®** (*Boswellia serrata* extract including with a proprietary *boswellia* oleoresin component) is clinically tested. It supports joint health and function and protects against collagen degradation.\*

**Boron** is essential for healthy bone and joint function.\*

For best results, use with **Jarrow FORMULAS® JarroSil®**, the biologically Activated Silicon®.

Store in a cool, dry place. Do not refrigerate.  
Keep out of the reach of children.
