**Do not use if either tamper-evident seal is broken or missing.
Keep out of the reach of children.**

Planetary Herbals **BILBERRY VISION™** contains anthocyanosides, which modern research has shown to provide considerable antioxidant support. Anthocyanosides also have an affinity for the retina. Bilberry has been a staple of European herbal therapy for hundreds of years, and is quickly becoming one of the most widely used herbs in the United States for supporting the eyes.*
