

Bone Density Factors® is an effective mineral supplement formulated for daily bone support at any age.** This product is well suited for those looking for lower levels of calcium to supplement their diet, and includes a boost of Vitamins B6, C and folic acid.

Adequate calcium and Vitamin D as part of a healthful diet, along with exercise, may reduce the risk of osteoporosis later in life.

** These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

CAUTION: If you are pregnant or nursing, taking medication, or planning a surgery, consult your doctor before using this product. If any adverse reactions occur, stop taking the product and consult your doctor.
