Planetary Herbals powerful **CORYDALIS MINOR PAIN RELIEF™** unites age-old tradition with modern science. This comprehensive formula combines corydalis, a primary minor pain relieving herb extensively used in China, with willow bark, traditionally used in the West. Also included is Humulex™, a hops extract, and ginger. Research suggests compounds found in ginger may support relief of minor pain from daily activities or overexertion.*

WARNING: This product should NOT be used by children or teenagers. Do not use this product if you are pregnant, may become pregnant, breastfeeding, or are allergic to salicylate compounds (such as aspirin). Chronic use may temporarily impair female fertility.
