Jarrow Formulas® puts the "PRO" in probiotics™

USAGE: Chew 1 piece of gum for at least 5 minutes up to 2 times per day or consult your health care professional. Suitable for adults and children over 5 years of age.

Jarrow-Dophilus® Oral Probiotic Gum contains two clinically documented probiotic strains from *Streptococcus salivarius*, BLIS K12™ and BLIS M18™. BLIS K12™ and BLIS M18™ work together to support immune, teeth, gum, ear, nose and throat health, promote fresh breath via secretory Bacteriocin-Like Inhibitory Substance (BLIS) and enzymes, and by competing for oral space.\*

Chewing gum delivery system increases the interaction time of oral probiotics with oral cavity and hence enhances the targeted effects.

**Keep out of the reach of children.**
