Full Spectrum™ Reishi Mushroom - A Treasure For 2,000 years!

Reishi contains more than 100 oxygenated lanostane triterpenes, many of which are known for their ability to support our immune defenses. Planetary Herbals **FULL SPECTRUM™ REISHI MUSHROOM** combines a highly concentrated extract of the mature fruiting body with the mycelia biomass, to ensure that every bit of reishi activity is present and easily absorbed.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
