Suggested usage: WellBetX® PGX® Plus Mulberry can be taken with or without food with a glass of water (12–16 oz. or 1½–2 cups) or as directed by a health professional.

Week 1: 1–2 capsules, 3 times daily.

Week 2: 2 capsules, 3 times daily.

Week 3 and beyond: 4 capsules, 2 times daily.

Notice: A small percentage of people may initially experience minor digestive changes when taking PGX®. Slowly work up to the full dose to give your body time to adjust. It is important to drink adequate amounts of water (12–16 oz. or 1½–2 cups) after taking PGX®. If you are taking medication, take it one hour prior to or two hours after taking PGX®.

Cautions: Consult your health professional before use if you are under 18 years of age or have any health concerns. As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

The combination of PGX® and mulberry extract helps lower the glycemic index of your meals, slow glucose absorption and promote healthy blood sugar levels that are already within normal range.* Incorporating PGX® into your diet will promote satiety, curb food cravings, and help to normalize appetite and metabolism.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
