

Suggested usage: 2 capsules 1–4 times per day with or without food with a glass of water (8–16 oz.) or as directed by a health professional.

Reduces appetite by promoting a feeling of fullness.* Helps lower the glycemic index.* Helps maintain healthy blood sugar and total cholesterol levels already within the normal range.*

Notice: A small percentage of people may initially experience minor digestive changes when taking PGX®. Slowly work up to the full dose to give your body time to adjust. It is important to drink adequate amounts of water (8–16 oz.) after taking PGX®.

Cautions: Consult your health professional before use if you are under 18 years of age or have any health concerns. If you are taking medication, take it one hour prior to or two hours after taking PGX®. As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you have a medical condition or anticipate a surgery. Keep out of the reach of children.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
