Suggested Use: 1 tablet daily with meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Research suggests that garlic supports normal cholesterol levels.* Planetary Herbals **GARLICHOL™** is specially prepared by a proprietary "low heat" process which protects the valuable compound allicin. The enteric-coating process further insures that the allicin potential is not destroyed by stomach acid. Each tablet is guaranteed to yield 6,000 mcg of allicin.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
