

Suggested usage: For immune support throughout the year, take 1 softgel 1–2 times per day.* For advanced immune support, take 1 softgel 5 times per day for the first 2 days, then 1 softgel 3 times per day on subsequent days or as directed by a health professional.*

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Do not use if you are allergic to plants of the *Asteraceae/Compositae* (daisy) family. Keep out of the reach of children.

ECHINAMIDE is made from hand-picked fresh organic *Echinacea purpurea* flowers, leaves, stems, and roots from our farms in Canada's Okanagan region. *Echinacea* has been used extensively by traditional herbalists to support a healthy immune function and promote overall good health.*

ECHINAMIDE is a unique plant compound including *Echinacea purpurea*'s three immune stimulating active compounds: polysaccharides, cichoric acid, and allylamides. Two randomized, double-blind, placebo-controlled clinical studies clearly demonstrated that ECHINAMIDE provides immune system support.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
