Planetary Herbals **FULL SPECTRUM™ FORSKOHLII** is a premier Ayurvedic herb used for centuries throughout India. Its primary active compound, forskolin (ForsLean®), works mainly through direct stimulation of cyclic AMP production. Cyclic AMP is a cellular messenger which determines how cells react to hormonal signals. When used as part of a healthy diet and exercise plan, **FULL SPECTRUM FORSKOHLII** can help to support healthy weight management. Available in a convenient capsule, this formula contains ForsLean®, a standardized extract of forskohlii root.*
