All 12 essential vitamins in this specially designed infant product are derived from vegetarian sources and is certified by the American Vegetarian Association.

For ease of use, this is a liquid multivitamin that can be taken directly or mixed into your infant's formula, fruit juice, cereal or other food – and it's naturally raspberry flavored.

And as with most Country Life products, Baby Care Multivitamin is packaged in amber glass. Glass packaging helps guarantee the freshness and purity of the product, so that your infant gets his or her daily value of vitamins. Glass is sustainable and recyclable, making it a good choice for future generations.

At Country Life, integrity is our #1 ingredient. Every product is rigorously tested to ensure it measures up against Country Life's 5 Integrity Standards: 1) authenticity of ingredients; 2) cleanliness of ingredients; 3) freshness of ingredients; 4) consistency of the formula; and 5) accuracy of labeling.

Baby Care Multivitamin contains a full spectrum of vitamins to support your infant's health.**

- Vitamin A supports immune, skin and eye health.**
- Vitamin B6 support a healthy nervous system and energy metabolism**†
  - B12 is required for proper red blood cell formation, neurological function, and DNA synthesis.**
  - B6 is involved in glucose metabolism, immune function and hemoglobin formation.**
- Vitamin C is an antioxidant that protects cells from harmful free radicals and plays an important role in immune function.** As it is required for collagen biosynthesis, it is an essential component of connective tissue.**
- Vitamin D aids in the absorption of calcium, helping to form and maintain healthy bones and teeth, as well as promote immune health.**
- Vitamin E is an antioxidant that protects cells from harmful free radicals and supports immune health.**
- Folate helps produce and maintain new cells.** This is especially important during periods of rapid cell division and growth such as infancy.**

Country Life is passionate about helping you live a healthy, active life.

This extends into the environment we live in and the materials we use in our packaging.

We use recycled paperboard.
