Vitamin & Mineral
Supplement

PROTEGRA®

Antioxidant

Protegra means
Protection®

Research has shown that our bodies may benefit from higher levels of antioxidants than we get from a normal diet or multivitamin. Protegra provides precisely balanced antioxidant vitamins with trace minerals at levels higher than can be obtained from a typical diet or multivitamin. Protegra's vitamins and minerals are precisely formulated at levels similar to those documented in scientific studies to optimize health and nutritional benefits.*

**Super-Antioxidant
Grape Seed Extract*
& Natural Vitamin E**

60 EASY-TO-SWALLOW SOFTGELS

Vitamin & Mineral
Supplement

PROTEGRA®

Vitamins E, C and A

Work together to help neutralize damaging free radicals.* Recognized as the most powerful antioxidant vitamins to help protect against cell damage*

Natural Vitamin E

Delivers twice the bio-availability of synthetic forms and more closely mimics the Vitamin E found in our food supply.

Standardized Grape Seed Extract

Super-antioxidant many times more powerful than Vitamin C or E.*

Selenium, Zinc, Copper & Manganese

Assist in the process of neutralizing free radicals to optimize cell protection*
