Cran-Max[®] is the original, clinically proven, one per day cranberry supplement. When it comes to supporting a healthier urinary tract, no other Cranberry supplement has more successful clinical studies.* You benefit from two exclusive features found only in Cran-Max[®]:

• Bio-Shield[™] is a patented system that helps protect the Cranberry actives through the harsh digestive environment.*

• PACs (proanthocyanidins) provide the beneficial antioxidant activity found in Cranberries that help support the urinary tract, fight free radicals and boost the immune system. No other Cranberry supplement can come close to the high level of PACs found in Cran-Max[®].*
