Horse chestnut extracts containing aescin, a complex of saponins, have been shown in numerous clinical trials to help support the normal integrity of the vascular system and connective tissue. Planetary Herbals **HORSE CHESTNUT VEIN STRENGTH™** combines an extract of horse chestnut, standardized to 20% aescin, with other herbs used to support the vascular system, including witch hazel, butcher's broom and ginkgo.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
