Suggested Use: Shake well before using. Take every 2 hours as needed: Toddlers ages: 1 to 3 years: 1/2 teaspoon (approx. 2.5 mL), children ages 3-10: 1 teaspoon (approx. 5 mL), children 10 years or older and adults: 1 tablespoon (approx. 15 mL). Do not exceed 6 doses in a 24-hour period. Not intended for long-term use. If the need to use this product persists more than 6 weeks, discontinue use and consult your physician.

Planetary Herbals **LOQUAT RESPIRATORY SYRUP FOR KIDS** is a gentle, soothing herbal formula for respiratory health with a peppermint flavor kids like. It combines loquat leaves with other key botanicals including the inner barks of slippery elm and wild cherry, two plants long used by traditional western herbalists for supporting respiratory health.*

CAUTION: If you are pregnant, may become pregnant, breastfeeding, have gastric ulcers, hypertension, a chronic persistent cough, or are taking any prescription drug, consult your physician before using this product. Product contains honey; do not use if you are allergic to bee products. Not for use by children under 1 year of age.

STORE IN A COOL, DRY PLACE.

Do not use if tamper-evident seal is broken or missing. Keep out of the reach of children.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
