Essential for Learning Ability

Natural triglyceride form Omega-3 for baby's optimal brain, eye and nervous system development with no fishy taste.*

Ultra-Pure Fish Oil

Sourced from wild-caught ocean-water fish and then purified by a triple molecular distillation process for maximum potency and freshness. Each batch is certified by a third party laboratory to meet the strictest standards for quality and purity.

Sustainably Sourced

Our fisheries are certified by Friend of the Sea®, acknowledging our commitment to sustainable fishing practices and sense of responsibility concerning natural resources.

Baby DHA Advanced is Non-GMO & FREE of:

Gluten, yeast, wheat, gelatin, dairy, eggs, shellfish, peanuts, tree nuts, sweeteners, artificial flavors and synthetic preservatives.
