Herbs have a distinct natural odor and may vary in color.

Ginseng has been used for centuries to maintain overall health and vitality. Ginseng has many sources, but Korean (Panax) Ginseng is considered to be the most stimulating. The ginsenosides in ginseng aid in the release of energy and are important for well-being.*

Warning: Pregnant or nursing women, individuals taking medication(s) or persons who have a health condition should consult their physician before using this product.
