Do not take turmeric / curcumin supplements, and consult with your doctor before using this product if you are taking **any** medications, especially those which may affect the ability of blood to clot, or if you are planning to have surgery.

Turmeric has been traditionally used to flavor foods for centuries. More recently, its antioxidant properties have been discovered, and it has been used to support the heart and cardiovascular system, and for joint health.*

Warning: Pregnant or nursing women, individuals taking medication(s) or persons who have a health condition should consult their physician before using this product.

Herbs have a distinct natural odor and may vary in color.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
