

PURE FOOD NUTRIENT-RICH SOFTGELS 100% MADE, PACKAGED, AND TESTED IN USA AND CANADA

Suggested usage: 1 softgel per day or as directed by a health professional.
Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Our natural vitamin E is derived from soy-free, non-GMO sunflower seed oil and is the perfect choice for anyone looking to avoid soy-based vitamin E supplements. Sun-E 900® is identity preserved, meaning the unique traits and quality characteristics of the sunflowers are protected from the moment the seeds are planted until the crop is harvested, processed, and shipped. This includes preventing cross contamination by GMOs, and maintaining consistent levels of natural vitamin E. Vitamin E is an important antioxidant and the body's primary defense against free radical (oxidative) cell damage.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
