DIRECTIONS: For adults, take two (2) softgels daily, preferably with a meal.

EPA and DHA from Fish Oil have the ability to promote heart, circulatory, and metabolic health.* Cinnamon can help maintain healthy blood sugar levels already within a normal range.* Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. One serving of Omega-3 Fish Oil Plus Circulatory Support* provides 300 mg total EPA, DHA and other omega-3 fatty acids. See nutrition information for total fat and cholesterol content. Our Fish Oil is purified to eliminate mercury.

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
