

AprèsFlex® Supports a 7 Times Greater Improvement in Joint Comfort[^]

Improvement in Joint Comfort

[^] In a 30 day, randomized, double-blind, placebo-controlled study of 67 adults, subjects taking 50 mg/day of AprèsFlex® twice daily experienced a statistically significant difference in mean improvements from baseline for joint comfort, stiffness and function as measured by WOMAC that was 7, 5 and 43 times greater in the AprèsFlex® group than placebo, respectively, after 30 days. Statistically significant improvements were seen as early as 5 days.

TriFlex™

FAST-ACTING

Feel better and get moving – fast!
TriFlex™ Fast-Acting has clinically proven ingredients for joint health.

APRÈSFLEX® – Features AprèsFlex®, a potent boswellia serrata extract, which is clinically proven to support a 7 times greater improvement in joint comfort, as well as improvements in joint stiffness and function, in as few as 5 days. It's thought to work by targeting pathways related to your body's natural anti-inflammatory response.^{^*}

GLUCOSAMINE/CHONDROITIN – Provides 1500 mg of glucosamine and 1200 mg of chondroitin, clinical-strength doses for daily, long-term use to support joint health.*

AND MORE – Also includes MSM, which is an important component for joint cartilage, and turmeric.

For a complete joint health solution, add TriFlex™ Joint, Bone & Muscle to your regimen. It has ingredients clinically studied to support healthy bones, muscles and joints.*

OUR QUALITY COMMITMENT TO YOU

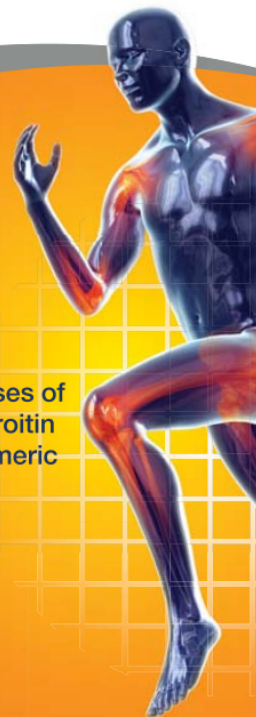

Since 1935, our mission as the industry leader has been to provide you with the highest-quality nutritional supplements. We continue to stand behind this mission. If you're not 100% satisfied with your purchase, return the unused portion of the product with your receipt within 30 days and we'll either refund your money or find you a replacement product that is right for you.
