GNC TriFlex™ Soft Chews are a great-tasting alternative to pills. Three chocolate TriFlex™ Chews supply full potency, clinically tested amounts of glucosamine (1,500 mg) and chondroitin (1,200 mg) along with MSM.

Glucosamine and chondroitin help support joint mobility and flexibility.* MSM is an organic sulfur found in joint cartilage and connective tissue.

To ensure a complete nutritional program, be sure to add one of GNC's premium multivitamins to your daily regimen.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

OUR QUALITY COMMITMENT TO YOU

Since 1935, our mission as the industry leader has been to provide you with the highest-quality nutritional supplements. We continue to stand behind this mission. If you're not 100% satisfied with your purchase, return the unused portion of the product with your receipt within 30 days and we'll either refund your money or find you a replacement product that is right for you.
