Planetary Herbals **MENOCCHANGE™ CIMICIFUGA-VITEX COMPOUND** is a comprehensive botanical preparation, used to support a woman's changing cycle through menopause. It contains a standardized black cohosh extract along with wild yam root extract from Native American herbal traditions, and Europe's premier female regulator, chaste tree berry (*Vitex agnus-castus*). These are combined with traditional Chinese herbs, including dong quai, renowned for their ability to support a healthy reproductive system.*

WARNING: DO NOT USE if you are pregnant, may become pregnant, or breastfeeding. If you are taking Interferon or any other prescription drugs, consult your physician before using this product.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
