MSM (Methylsulfonylmethane) is a bioavailable sulfur. Sulfur is a necessary component that works in conjunction with Glucosamine to provide the building blocks of collagen, an important component of healthy joints and connective tissue.*

Noticeable improvement in flexibility and range of motion should be expected after taking this supplement as directed for about 6 weeks.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Suggested use: Take one tablet twice a day, or as recommended by a physician.

WARNINGS: Glucosamine is derived from shellfish. If you are allergic to shellfish, please consult your healthcare professional before taking this product.

If pregnant, nursing or taking any medications, consult your healthcare professional before taking this product.

Keep out of the reach of children.

Keep in a cool dry place, tightly closed.

No artificial colors have been added to this formula, the product may vary in color.
