Traditional Chinese herbalists have used the leaves of the loquat tree to support respiratory health since at least 500 A.D. Planetary Herbals **LOQUAT RESPIRATORY SYRUP** combines loquat leaves with other key botanicals including the inner barks of slippery elm and wild cherry, two botanicals long used by traditional western herbalists for supporting respiratory health.*

STORE IN A COOL, DRY PLACE.

Do not use if tamper-evident seal is broken or missing. Keep out of the reach of children.

CAUTION: If you are pregnant, may become pregnant, breastfeeding, have gastric ulcers, hypertension, a chronic persistent cough, or are taking any prescription drug, consult your physician before using this product. Product contains honey; do not use if you are allergic to bee products. Not for use by children under 1 year of age.
