Supplement Facts

Serving Size 1 Tablet

Amount Per Serving	% Daily Value
Vitamin D 400 IU	100%
Calcium 600 mg	60%

INGREDIENTS: Calcium Carbonate, Cellulose, Maltodextrin, Acacia, Croscarmellose Sodium, Sodium Starch Glycolate, Polyvinyl Alcohol, Titanium Dioxide, Polyethylene Glycol, Magnesium Stearate, Talc, Silicon Dioxide, Sodium Lauryl Sulfate, Gelatin, Corn Starch, Yellow 6 Lake, Cholecalciferol.

Osteoporosis affects middle-aged and older persons, especially those with a family history of fragile bones in later years.

A lifetime of regular exercise and a healthful diet with adequate calcium are essential in achieving peak bone mass in teenagers and young adults and maintaining bone health during adulthood. Individuals who do not store enough calcium throughout their lives have an increased risk for developing osteoporosis. Recently, scientists have determined that even postmenopausal women can benefit from greater calcium intake.
