Chromium is necessary in the metabolism of carbohydrates, protein and fat by assisting insulin, a key hormone. Benefits supported by clinical research.

Suggested use: Take one tablet daily with a full glass of water, preferably after a meal, or as recommended by your physician. Do not exceed recommended daily intake.

Keep out of the reach of children.

Keep in a cool dry place, tightly closed.

DIABETICS/HYPOGLYCEMICS: Use only under a physician's supervision.

Natural color variations occur in these tablets.
