

Synergistic formula providing superior healthy aging and immune health support!*

This comprehensive formula boosts antioxidant levels and supports heart health with 100% pure trans-resveratrol, the most absorbable form of resveratrol.*

Resveratrol-forte® uses specialized extraction and purification methods providing higher potency and stability.* This unique combination of resveratrol and rutin (quercetin rutinoside) provides more healthy aging and immune support than resveratrol alone.*

Shield yourself from the aging effects of free radicals and oxidative stress with Resveratrol-forte!*

2 capsules equal the Resveratrol in 80 bottles of red wine!†

This product does not contain alcohol.

†Based on 125 mg trans-resveratrol dose, an average of 1.97 mg of trans-resveratrol per liter of red wine, and 750 mL bottle size.
