90 Chewables

A Dietary Supplement Vegetarian/Vegan

CODE
P2936C
V7

SUGGESTED USAGE: For children (age 2 & up) and adults: Chew 1 tablet 1 to 3 times daily between meals or on an empty stomach. For children under 2, use only on the advice of your healthcare practitioner.

KEEP LID TIGHTLY SEALED.

KEEP REFRIGERATED TO MAINTAIN POTENCY.

HOW IT WORKS: Protocol For Life Balance® Chewable Probiotic is a great-tasting, chewable probiotic supplement sweetened with xylitol. The bacterial strains in this product have been scientifically tested and chosen for their ability to support healthy immune system and GI functions.* These bacterial strains are particularly hardy and have been shown to adhere to the intestinal lining, thereby helping to maintain intestinal integrity.* This product can be used by both adults and children.

CAUTIONS/INTERACTIONS: Probiotic supplements may cause mild, but transient GI discomfort. Individuals with severe immune system deficit and those taking immune-suppressing medications should consult their healthcare practitioner before taking this product. Because antibiotics may inactivate some probiotic bacteria, take at least 2 hours before or after taking antibiotic medications.

Contains Xylitol, which is harmful to pets.

Do not eat freshness packet. Keep in bottle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
