

Natrol® CoQ-10 is a natural antioxidant essential for cells to work efficiently in the heart and throughout the body. CoQ-10 levels in the human body decrease with age, making it harder to convert fats and sugars into energy. CoQ-10 can be used as part of a daily regimen for heart health.[†]

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking prescription drugs, or are pregnant or lactating. People with allergies to soy should consult their healthcare professional before taking this product.

**STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.**
