

Contains No Added sugar, salt, yeast, wheat, gluten, corn, soy, preservatives, artificial colors or flavors.

Suggested Use: As a dietary supplement, adults take two tablets, three (3) times daily between meals, preferably prior to or immediately after exercise or as directed by a health care professional. Store in a cool, dry place and away from direct light. Keep out of reach of children.

Caution: For use as a dietary supplement only. Do not use as the sole source of nutrition for purposes of weight loss. Phenylketoneurics: contains Phenylalanine.

QUALITY AND POTENCY GUARANTEED. MADE IN THE U.S.A.

MaxAmino 1200 is a concentrated source of amino acids for use during periods of intense physical activity or stress. It contains a blend of free-form and di- and tri-peptide amino acids. This highest grade enzymatic digest (hydrolyzate) of Lactalbumin provides both essential and branched-chain amino acids and is fortified with specific supplemental amounts of L-Ornithine, L-Carnitine, and L-Lysine, as well as the metabolic cofactor, Vitamin B-6.

** The following amino acid profile is typical of this product. The results from any particular batch may vary.
