Heart Matters™ Supplements — A Smart Choice*

In addition to **BP Manager™** consider these other high-quality supplements within the **Heart Matters** line:*

- **Cholesterol Shield™** phytosterol blend
 - Phytosterols and Panthethine help maintain cholesterol levels already within normal range.*
- **Artery Advantage™** circulatory support*
 - Vitamin K2 from natto helps take valuable calcium from the bloodstream & put it into the bones.*
- **HDL Assist™** supplement
 - Supports good cholesterol (HDL) levels.*

Your Heart Matters, and So Do You!

Each of the four products in the Heart Matters suite of supplements focuses on specific health concerns near and dear to the heart.

BP Manager™ Helps Take the Pressure Off!

Maintaining healthy blood pressure^{††} can be a delicate balance, so **BP Manager™**, a unique botanical formula, was developed to help support some of the factors that affect blood pressure levels in your body.*

Both stevia extract and olive leaf extract ingredients have separately been shown to support healthy blood pressure levels.*††

††Already within normal range.
