

The average diet does not have enough calcium. Calcium is the primary mineral for strong bones and magnesium helps in bone mineralization. Calcium and magnesium team up for muscle contraction and nerve impulses. Ensure that you are getting enough for healthy bones and teeth by taking **Natrol® Calcium With Magnesium** everyday. Just three tablets provide 50% of the Daily Value of both calcium and magnesium.†

Consult your healthcare professional prior to use if you have or suspect a medical condition, or are taking prescription drugs, or are pregnant or lactating.

**STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.**
