

Green Tea, a powerful antioxidant, has been used for centuries to promote good health.

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking prescription drugs, or are pregnant or lactating. Each serving contains as much caffeine as about one-third cup of coffee. Too much caffeine may cause nervousness, irritability, sleeplessness, and, occasionally, rapid heart beat. Not for use by individuals under the age of 18 years.

**STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.**
