

Beta Sitosterol, also known as Phytosterols, has shown efficacy in maintaining cholesterol levels that are already within a normal range when combined with a healthy calorie reduction and exercise program.[†]

Consult your healthcare professional prior to use if you have or suspect a medical condition, or are taking prescription drugs. People with allergies to soy should contact their healthcare professional before taking this product. Do not use if you are pregnant or lactating.

**STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.**
