†Daily Value not established.

Suggested Use: 1 teaspoon mixed with water or juice, twice daily with a meal.

Do not use if either tamper-evident seal is broken or missing.
Keep out of the reach of children.

Isoflavones are unique polyphenol compounds which are found in the soybean plant. Research suggests that soy protein and soy isoflavones may reduce the frequency and severity of hot flashes during menopause. Planetary Herbals **SOY GENISTEIN ISOFLAVONE POWDER** contains 50 mg of SoyLife[®] isoflavones per serving which are naturally occurring and come from non-GMO soy. Convenient to mix with water or juice. One teaspoon provides slightly more isoflavones than two 1,000 mg tablets.*

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

STORE IN A COOL, DRY PLACE.
