

**Natrol® CoQ-10** is a natural antioxidant essential for cells to work efficiently in the heart and throughout the body. CoQ-10 levels in the human body decrease with age, making it harder to convert fats and sugars into energy. Take CoQ-10 as part of your daily regimen.†

**Consult your healthcare professional** prior to use if you have or suspect a medical condition, are taking prescription drugs, or are pregnant or lactating. People with allergies to soy should consult their healthcare professional before taking this product.
