

Enzymatic Therapy's Petadolex® Pro-Active

- Contains pure butterbur extract to support healthy blood vessel tone in the head*
- Uses a patented extraction method, ensuring the valuable petasites compounds are captured
- Also ensures that toxic levels of inherent compounds such as pyrrolizidine alkaloids are left out.
- Is tested for pyrrolizidine alkaloids, made possible by using this patented process (U.S. Patent #6,551,626).

For soothing comfort that improves with continued use, trust **Petadolex Pro-Active!***
