The estrobalance[®] DIM[®] Advantage

Why not get diindolylmethane from eating cruciferous vegetables?

While eating cruciferous vegetables such as broccoli is recommended for good health, you'd have to eat at least two pounds of raw broccoli to obtain the DIM contained in just one daily dose of EstroBalance![®]

1 Daily Dose = DIM from 2 lbs. of BROCCOLI

Why take EstroBalance with absorbable DIM?

Diindolylmethane, in supplement form, can be difficult to absorb, unless it's made with a special bioavailable form of diindolylmethane such as the patented BioResponse-DIM[®] complex, as found in EstroBalance. BioResponse-DIM complex provides an enhanced bioavailability delivery system for DIM so it's easy for the body to absorb.

Indolplex[®] & DIM[®] are registered trademarks of and is licensed from BioResponse, L.L.C.; U.S. patent #6,086,915.

The Benefits of Diindolylmethane

Supports Healthy Estrogen Metabolism*

EstroBalance[®] contains diindolylmethane (DIM[®]), a phytonutrient found in cruciferous vegetables such as Brussels sprouts, broccoli and cabbage. DIM has been shown to influence estrogen metabolism to increase the ratio of 2-hydroxysterogen (2-OHE) to 16-hydroxysterogen (2-OHE).² 2-OHE is often referred to as the "good" estrogen metabolite and 16-OHE as a "bad" estrogen metabolite.

Promotes Women's Health*

Increasing the ratio of 2-OHE to 16-OHE may have the following benefits:

- Reduces cyclical breast tenderness*
- Promotes breast health*
- Supports cardiovascular health*
- Helps regulate fat metabolism*

*HEALTH CLAIMS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION.
THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.

Recommendation: Take 1 tablet daily with food. If extra support is required, take 2 tablets with food.

Warnings: Do not use this product if pregnant, nursing or attempting to become pregnant. A harmless but noticeable change in urine color may occur during usage of this product. If taking any medications, consult a healthcare professional before use.

Supplement Facts

Amount per Serving	% DV
Calcium (as calcium carbonate)	340 mg 34%
Indolplex [®] Complex	120 mg **
modified food starch, 25% diindolylmethane (DIM [®]) (30 mg), Vitamin E as Tocopherol, phosphatidylcholine and silicon dioxide	

**Daily Value (DV) not established.

Other ingredients: cellulose, sodium croscarmellose, hypromellose, calcium carbonate, stearic acid, magnesium stearate, titanium dioxide color, hydroxypropyl cellulose, glycerin, soy lecithin, carnauba wax

Contains soy.

GLUTEN FREE. No sugar, salt, yeast, wheat, dairy products, artificial flavors or preservatives.
