

Recommendation: Take 1 tablet three times daily with meals. Do not chew or crush.
Caution: Not recommended for individuals with autoimmune conditions, a bleeding disorder, who are taking blood thinning medications or within a week of any surgical procedure. Persons with allergies to plants of the Asteraceae family (including ragweed) should use this product with caution. If pregnant, nursing or taking any medications, consult a healthcare professional before use.

Combines high allclic potential garlic with:

- **Echinacea purpurea** to help support the body's natural defense system.*
- **Vitamin C** from easily absorbed calcium ascorbate to support healthy immunity.*
- **OptiZinc®**, the complexed form for superior absorption and immune system support.*

Garlicin®

SmartRelease® Garlic

Using a proprietary enteric-coating, Garlicin tablets are protected from stomach acid. Once in the intestinal fluid, Garlicin tablets completely disintegrate in about 45 minutes, providing maximum allclic release.
