

Get Your Mood and Mental Focus on Track with Mood+

Natrol® Mood+ is a unique, complex formula that combines the power of 5-HTP to promote balanced serotonin, along with L-Theanine to enhance cognitive performance. Plant-derived amino acids, 5-HTP and L-Theanine, in combination with B-Vitamins and Ginkgo biloba, help maintain alertness, focused attention and positive mood.†

Consult your healthcare professional prior to use if you have or suspect a medical condition, or are taking prescription drugs including drugs for depression, migraines, Parkinson's disease or psychiatric disorders. Do not use with other supplements containing L-tryptophan or 5-HTP. Do not use if you are pregnant or lactating or under the age of 18. People with allergies to corn should consult their healthcare professional before taking this product.
